WARRANT, INCREASING THE PAY OF CERTAIN GENERAL OFFICERS WHO ARE NOT COLONELS OF REGIMENTS.

WILLIAM R.

WHEREAS it has been represented to Us that the General Officers in Our Army, who are not Colonels of Regiments, have not been sufficiently provided for by Our Warrant of 22d July, 1830; Our will and pleasure is that the Pay of all General Officers in Our Army, who, under the Fourth Regulation of the Warrant before referred to, are entitled to receive the full Pay of their last Regimental Commission, shall from the 1st April last inclusive, be made up to the rate of Four Hundred Pounds per Annum.

Given at Our Court at St. James's, this 28th day of May, 1835, in the Fifth Year of Our Reign.

By His Majesty's Command.
HOWICK.

No. 520.

GENERAL ORDER.

Horse Guards, 18th June, 1835.

SOME cases having lately occurred, in which Soldiers have drawn their Bayonets upon each other, and also upon other Persons who happened to come in contact with them, whilst quarrelling in the Streets and in Public Houses. The General Commanding-in-Chief desires, that the Soldiers of the Army may be reminded, that they are armed for the protection of their King and Country, and for the support and execution of the Laws, when lawfully called out for these purposes; that they wear their Side Arms as an honourable distinction of the profession to which they belong; that they are not to use them in private broils, or even for their own personal defence upon such occasions; and, that it is the duty of the Soldiers to avoid resorting to places in which such broils are likely to take place, more particularly when dressed, as Soldiers, with their Side Arms.

The General Commanding in-Chief is determined to put an effectual stop to so dangerous and disgraceful an Offence, by the punishment and degradation of every Soldier who shall, hereafter, be convicted of it.

To this end LORD HILL desires, that Commanding Officers of Regiments and Depôts will bring to summary Trial, for unsoldier-like and disgraceful Conduct, every Man who shall be reported to have drawn, or attempted to draw, his Bayonet, for the purpose of using it against another Person, in any case of dispute, affray, or interference,

His Lordship further desires, that every Soldier convicted before a Court-Martial of having used, or attempted to use, his Side Arms, in any of the cases herein contemplated, may, in addition to the Punishment awarded by the Court, be degraded on the Public Parade, in front of the Regiment or Depôt to which he belongs, by being there stripped of his Bayonet and Bayonet Belt, and proclaimed by the Commanding Officer as a Man unworthy to be entrusted with the care of his Bayonet, except in the Ranks, under the view and command of his Officer.

In all such cases, the Offender shall be stripped of his Side Arms by the Pioneers, in order to enhance his degradation. He who is thus degraded shall not be suffered to wear his Bayonet or Bayonet Belt, except upon

Duty, for One Year from the date of his degradation ; during which time he shall be denied every indulgence to which the good Soldier is entitled, and shall march to Church, in the Ranks, without Side Arms. His Name shall, moreover, be posted up in some conspicuous place in the Barrack Room of the Company to which he belongs, on the Barrack Gate, and on the Doors of the Guard House, and Canteen.

The General Commanding-in-Chief feels confident that these measures will, with the zealous co-operation of all classes of Officers, and the vigilance of the Non-Commissioned Officers, soon rescue the Army from the stigma which a few unworthy individuals would attach to it, by resorting to a base and unmanly expedient heretofore unknown amongst British Soldiers.

By Command of the Right Honourable

The General Commanding-in-Chief.

WARRANT, INCREASING THE PAY OF CERTAIN GENERAL OFFICERS WHO ARE NOT COLONELS OF REGIMENTS.

WILLIAM R.

WHEREAS it has been represented to Us that the General Officers in our Army, who are not Colonels of Regiments, have not been sufficiently provided for by Our Warrant of 22nd July, 1830; Our will and pleasure is that the Pay of all General Officers in Our Army, who, under the Fourth Regulation of the Warrant before referred to, are entitled to receive the full Pay of their last Regimental Commission, shall from the 1st April last inclusive, be made up to the rate of Four Hundred Pounds per Annum.

Given at Our Court at St. James's, this 28th day of May, 1835, in the Fifth Year of Our Reign.

By His Majesty's Command,
HOWICK.

No. 520.

GENERAL ORDER.

Horse-Guards, 18th June, 1835.

SOME cases having lately occurred, in which Soldiers have drawn their Bayonets upon each other, and also upon other Persons who happened to come in contact with them, whilst quarrelling in the Streets and in Public Houses. The General Commanding-in-Chief desires, that the Soldiers of the Army may be reminded, that they are armed for the Protection of their King and Country, and for the support and execution of the Laws, when lawfully called out for these purposes; that they wear their Side Arms as an honourable distinction of the profession to which they belong; that they are not to use them in private broils, or even for their own personal defence upon such occasions; and, that it is the duty of the Soldiers to avoid resorting to places in which such broils are likely to take place, more particularly when dressed, as Soldiers, with their Side Arms.

The General Commanding-in-Chief is determined to put an effectual stop to so dangerous and disgraceful an Offence, by the punishment and degradation of every Soldier who shall, hereafter, be convicted of it.

To this end LORD HILL desires, that Commanding Officers of Regiments and Depôts will bring to summary Trial, for unsoldier-like and disgraceful Conduct, every man who shall be reported to have drawn, or attempted to draw, his Bayonet, for the purpose of using it against another Person, in any case of dispute, affray, or interference.

His Lordship further desires, that every Soldier convicted before a Court-Martial of having used, or attempted to use, his Side Arms, in any of the cases herein contemplated, may, in addition to the Punishment awarded by the Court, be degraded on the Public Parade, in front of the Regiment or Depôt to which he belongs, by being there stripped of his Bayonet and Bayonet Belt, and proclaimed by the Commanding Officer as a Man unworthy to be entrusted with the care of his Bayonet, except in the Ranks, under the view and command of his Officer.

In all such cases, the Offender shall be stripped of his Side Arms by the Pioneers, in order to enhance his degradation. He who is thus degraded shall not be suffered to wear his Bayonet or Bayonet Belt, except upon Duty, for One Year from the date of his degradation; during which time he

shall be denied every indulgence to which the good Soldier is entitled, and shall march to Church, in the Ranks, without Side Arms. His Name shall, moreover, be posted up in some conspicuous place in the Barrack Room of the Company to which he belongs, on the Barrack Gate, and on the Doors of the Guard House, and Canteen.

The General Commanding-in-Chief feels confident that these measures will, with the zealous co-operation of all classes of Officers, and the vigilance of the Non-Commissioned Officers, soon rescue the Army from the stigma which a few unworthy individuals would attach to it, by resorting to a base and unmanly expedient heretofore unknown amongst British Soldiers.

By Command of the Right Honourable

The General Commanding-in-Chief.

JOHN MACDONALD,
Adjutant-General.

MEMORANDUM.

War-Office, 27th July, 1835.

Captains or other Officers in receipt of Seven Shillings a day Half Pay, who are desirous of obtaining Appointments as Regimental Paymasters, are requested to send their Applications to the Secretary at War, stating distinctly their readiness for General Service, accompanied by proper Testimonials as to Character and Eligibility, and accompanied also by the Names and Addresses of those Persons who are willing, as soon as they shall have been appointed to Vacancies, to become Sureties for them.

No. 522.

GENERAL ORDER.

Horse-Guards, 31st August, 1835.

LORD HILL has reason to apprehend, that the Orders prohibiting the introduction of Orange Lodges into the Army have not been duly communicated to the Non-Commissioned Officers and Privates, or, if communicated, that they have not been sufficiently explained and understood.

His Lordship now refers Commanding Officers of Regiments to the Confidential Circular Letters of the 1st of July, 1822, and 14th of November, 1829, upon the foregoing subject; and declares, that any Officer, Non-Commissioned Officer or Soldier, who shall hereafter institute or countenance an Orange Lodge, or any other Meeting or Society whatsoever, for Party purposes, in Barracks, Quarters, or Camp, shall be brought to Trial before a General Court-Martial for disobedience of Orders.

His Lordship, moreover, peremptorily forbids the attendance of either Officer or Soldier at Orange Lodges, by whomsoever or wheresoever held.

The present Order is to be read to the Troops periodically on the Parade with the Articles of War.

By Command of the Right Honourable
GENERAL LORD HILL,
Commanding-in-Chief.

JOHN MACDONALD,
Adjutant-General.
